Reviewing confirmation

To whom it may concern,

We are pleased to confirm that Suzan Farhang-Sardroodi has served as a reviewer, contributing to the rigorous review process of *Delayed type I interferon response and the subsequent out-of-sequence cytokine signal inhibit T cell induction in non-surviving Ebola virus infected patients* published on 23 April 2026 within the section Systems Immunology in Frontiers in Immunology.

Suzan Farhang-Sardroodi was selected for this role by peers based on their expertise in the field and has played an important role in our collaborative peer review process.

Please feel free to contact the editorial office at immunology@frontiersin.org for any further questions.

Best regards,

Ross McGlennon
Journal Manager
